CLEARINGHOUSE RULE 95-025

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

It is not necessary to include “to” after “renumbered” in the treatment clause. See SECTIONS 14 and 19.

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Is there a reason why s. NR 419.07 (4) (d) is permissive while s. NR 419.07 (4) (e) is mandatory?

b. It would be helpful to clarify the meaning of the cross-reference to ch. NR 722 in s. NR 419.07 (4) (d) 3. Does this mean that contaminated soil accepted under s. NR 419.07 (4) (d) 1. or 2. is not subject to ch. NR 722? Can a more precise reference to the specific applicable portions of ch. NR 722 be provided? Could the effect of the cross-reference be described in a note?

c. “Landspreading facility” is defined in s. NR 419.02 (3) (e). Should this term be used in s. NR 419.07 (4) (e) (intro.) rather than the term “landspreading operations”?
